

# Kijabe and Mount Longanot

Thanksgiving with friends

# THANKSGIVING DINNER (YUMMY!!!)

We had a wonderful thanksgiving dinner while visiting friends in Kijabe.

Menu: Turkey, mashed potatoes and gravy, dressings, deviled eggs, sweet potato/mango casserole, green beans, cheesy carrots, biscuits and pecan pie for dessert.

## THE HOUSE AND YARD

The house is located on the side of a mountain with a drop-off to the right of the bushes. It reminded me of a English country cottage.

# FLOWERS OF ALL TYPES

No clue what these are called, but they sure were interesting.

# THE VIEW OF THE GREAT RIFT VALLEY

# GREAT RIFT VALLEY

# MOUNT LONGONOT

There were three peaks visible in the valley from where we were and I think this one is of Mount Longonot (a dormant volcano).

by a great Safari to Nakuru National Park.
